Senior Class Council

Dear Suffolk University Class of 2013,

We finished our papers, presented our projects, and took our final exams... college was officially over, and it was time for Senior Week! Some highlights – we got an adrenaline rush with white water rafting, completed the team challenge at Dave & Buster's, took a spin on some roller coasters at Six Flags, gambled at Mohegan Sun, and explored Martha's Vineyard.

The Senior Week Committee worked extremely hard to make this happen. The yearlong planning process involved seemingly endless emails, texts and phone calls, and more meetings than we could count, but we are so glad that everyone had such a great time at the events. On behalf of the Senior Week Committee, thank you for coming to the events, and we wish you the best of luck with all your future endeavors!

As a class, we may not be walking down Temple Street or waiting for the elevators in Sawyer anymore, but our time with Suffolk is not over. We were welcomed to the Alumni Association at the Sparkling Toast. So remember, we are Suffolk alumni for life!

All the best,

Brad Migliacci
Senior Week Chair

Letter from the President

Dear Class of 2013,

I am delighted to congratulate you on your graduation from Suffolk University. I am continually impressed with all that our students achieve during their undergraduate careers. Your time here with us has prepared you to reach your professional and academic goals. Now, graduation marks the start of your next great endeavor.

You will always have a home in the Suffolk community, whether you are beginning your career or attending graduate school, staying in Boston or moving to a new city or country. I invite you to join the Suffolk University Alumni Association. With your fellow alumni across the country and around the world, you'll enjoy special events, networking opportunities, and the latest updates on what's happening around campus. Plus, we'd love to hear from you as you pursue your dreams.

Again, congratulations and all best wishes to you.

Sincerely,

James McCarthy
President

Letter from the S.G.A President

Dear Class of 2013,

Congratulations on your success! I would like to thank you for electing me as Senator for the Class of 2013 both my freshman and sophomore year. Thank you for supporting me as Student Government Association (SGA) secretary junior year and for electing me as SGA President my senior year.

Over the past few years we have all worked hard to accomplish our goals. We have spent long hours sitting in class, countless nights writing papers, and had many stressful days of studying. Despite much needed patience and persistence to juggle daily responsibilities and schoolwork, we have found time to enjoy and learn from every experience. Now it is time for us to share our knowledge with the world.

My advice to you is to positively impact someone's life daily. One quote I personally live by and would like to share it with all of you is, "be the change you wish to see in the world" by Ghandi.

Last, I would like to thank you for electing me as your Alumni Class President. The Alumni board and myself will make sure our class stays connected and well informed. It has been an honor representing you for the past four years and I look forward to continue doing the same.

Good luck with your future endeavors and always remember that Suffolk is our home forever.

Sincerely,

Samienta Pierre-Vil
